

Emergency Rod Repair Kit

1. Safety razor blade or sharp knife
2. Nail file or sandpaper
3. 2 - 3 different rod tips
4. 3 - 4 different line guides
5. Hot melt glue stick
6. Shrink wrap tubing or electricians tape
7. Lighter or matches

Optional

1. Thread (rod winding)
2. Clear nail polish, superglue or clear epoxy

Emergency Rod Tip Repair Kit includes everything you need to fix a broken tip to save your fishing trip. Fast, easy and reusable. Just place shrink-tubing and rod tip over broken rod end, heat and you are ready to fish again. No tackle box is complete without this Rod Tip Repair Kit.
